

# 10 SECRETS OF EDUTEN PLAYGROUND

**Data Analytics** provides school managers, teachers with insights about students' performance to make teachers' teaching more easily, to better support and motivate students and communicate with parents. Eduten Playground provides significantly better learning results. Based on the studies, using Eduten Playground increases students' grades by up to 20%. In fact, only 15 weeks of using Eduten can provide up to 40% better mathematics performance and 45% better arithmetic fluency.

The **Design of "Lessons" - "Exercises"** is best suitable for school classes

**Pair-Work:** With one device, two students can practise together using their own account log in and get the same points. This will encourage collaboration work and also be good in the situation that there are not enough computers for all students.

**Exams:** Teachers can create and monitor "Exams" from Eduten Playground and students can do exams from anywhere and get the results at once.

**Guardian's Report:** Teachers can send Eduten Progress report to parents weekly or monthly to communicate the students' performance with parents.

**Curriculum:** Already been adapted to Vietnamese curriculum and easy to start at any time of the school academic year. For students, Eduten Playground offers more than 17 000 carefully designed, motivating and activating exercises for learning mathematics and programming. All exercises are automatically assessed and provide instant feedback.

**Diploma:** Teachers can create Diploma for students every semester, or mid-term, etc. The Diploma shows student's achievements.

**Easy to log in** from anywhere with computers/ laptops/ ipads and internet connection. This is very suitable for online learning, especially during the time when students cannot go to school.

From now on, teachers can give **Personalized and Differentiation** to students

**AI Integrated Gamification Digital Learning Platform with Finnish Pedagogy.** Eduten Playground is the world's first educational tool for mathematics based on real scientific evidence. Eduten Playground's effectiveness has been proven in dozens of studies and over 12 years of scientific research. Eduten Playground is designed by teachers, for teachers.
